Order 27th August 1888, No. 1798.

The Government agree with the
Inspector General of Registration that the Sub-
Registrar's office should also be transferred from
Korur to Sattenapalli, and that a building on the
standard plan should be erected in the same
compound as the Taluk cutcheri. Directions to the
Collector to take this also into consideration in
estimating the amount of land to be required
will accordingly be issued in the Revenue De-
partment.

2. It may be economical to alter the
standard plans somewhat and combine the
two offices in one building. This will be considered
in the Public Works Department.
