Prescribing a form for the submission of applications from Uncovenanted officers, being Europeans or Eurasians, for examination according to the Vernacular tests.

Enclosure No. 1 of letter No. 17314 dated 23/8/88

Copy of letter from the Examiner P.W. Accounts Madras to the Accountant General P.W. Department, No. 272 A dated 23rd August 1888.

I have the honor to forward for your information G.O. No. 2610 W. dated 4th. October 1887. } copies of the margin-  
G.O. No. 1334 W. dated 7th. May 1888. } ally noted correspondence

G.O. No. 2247 W. dated 23rd. July 1888. } the reduction of the  
establishment of my office, and to request instructions with reference thereto.

2. In para 7 of their letter No. 1721 G. dated 2nd. September 1887 recorded with Madras G.O. No. 2610 W. dated 4th. October 1887, the Government of India desired that the possibility of reducing the establishment of the Examiner's office should be carefully considered and reported upon.

3. Having given the matter my most careful consideration, I came to the conclusion that no immediate reduction was feasible; but that, with a more efficient establishment of accountants, and with a more perfect organization and distribution of the office, to a great extent dependent on first obtaining a more efficient establishment, it should be possible to effect gradually a considerable numerical reduction of establishment, with an appreciable money saving; and I accordingly placed my views at length before the Madras Government, in my office note No. 1113 dated 27th. February 1888, printed with G.O. No. 1334 W. dated 7th. May 1888, in which I proposed for reasons stated (1) to adopt the grading and scale of pay obtaining for accountants in other parts of India, and (2) to introduce a class of apprentice
