GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Civil Works.

READ—the following paper:—

From the Revd. W. W. ELWES, M.A., Acting Archdeacon of Madras, to the Chief Secretary to Government, Ecclesiastical Department, dated Madras, 24th August 1888, No. 105.

I have the honor to forward, for the consideration and orders of Government, a plan and estimate, amounting to Rs. 535, for extending the out-houses at St. Stephen's Church, Ootacamund.

2. The Church Committee, which includes the Hon. Colonel J. O. Hasted, R.E., has approved the plan and estimate.

3. I have referred the matter back to the Chaplain of Ootacamund requesting information as to the necessity of the proposed extension.

He replies as follows:—

"The present out-house is used as a lavatory and latrine, so that there is no godown for tools, lamps, &c., nor any shelter or godown for the church lascar.

"The extension of the present godown for which we are seeking for sanction is to remedy this, viz., to provide a godown for tools and for the church lascar, which the Church Committee and the Executive Engineer consider a matter of necessity."

Approved and transferred to the Public Works Department.
