Madras, 14 August 1888.

OFFICE NOTE No. 2065

Enc: 1

To

W.

As it seems desirable to codify the rules regarding the rents to be recovered from members of the department and others for the use of departmental boats, I beg to submit herewith for the approval of Government, the accompanying draft standing orders based on the G.Os. quoted below:-

- No. 183 I. dated 26th. February 1883.
- No. 827 I. dated 16th. October 1883.
- No. 253 I. dated 4th. April 1887.

2. In G.O. No. 159 I. dated 28th. February 1878, Government sanctioned the construction of a range boat for Godavari at a cost of Rs. 1,780 and fixed the rent at Rs. 36 per mensem, Rs. 6 of which was to be charged to office contingencies; but as it would appear from G.O. No. 827 I. dated 16th. October 1883, that the

system of charging anything to office contingencies has been abandoned as regards other boats, it would perhaps be just as well to abandon it altogether, as it hardly seems to serve any useful purpose. If necessary in administrative accounts and reports on results, the value of services rendered to office contingencies can always be taken into account without making any actual monthly charge.

3. No rates have apparently been fixed by Government for boats hired out to others than members of the department, in the Kurnool Canal, and if this is now done, they may be inserted in the standing orders.
