In the statement of requirements for minor works and Repairs under Provincial for the current year, submitted in No 130 TC dated 6th May/80, Rs 1700 were applied for, for repairs to Civil Buildings in the Madurai Division; I have the honor to state that this amount is now found inadequate, and to request that an additional grant of Rs 925 may be sanctioned.

2. The above sum is required to meet the cost of sundry repairs and painting or color washing portions of the Tirumal Naik's Palace

on the original estimate many years ago, but have become so dirty from lapse of time that it is necessary to wash them again before the rooms are made over to the Revenue and other departments -

3. In submitting the statement alluded to in para 1 this demand was not anticipated.

4. An estimate for the above repairs has been sanctioned by me.
