No. 107 E
From

The Sub Divisional Officer,
Vayalar

The Executive Engineer,
West Coast Division

Dated 20 April 1888.

Ref. your No 565 d 9 April 1888.

Sir,
I have the honor to inform you
that there are at side 99 cft of shells
remaining at site at Sholadi Bridge
being the balance remaining of shells
supplied by the S. P. W. to Mr. Ryan.

2. Mr. Ryan brought no lime of his
own to the work.

I have &c
of P. R. Allen
Assistant Engineer.

Madras 4 April 1888

To

Col A. J. Fraser, R.E.
Executive Engineer.

Sir,

I beg to acknowledge the receipt
of

of your No. 272 of the 2^d Instant.

Mr. Cormac who started the Chelasi
Bridge work told me he had taken sections
of the rock & removed and that it amounted
to Rs 1200. I spent some 6 or 700 Rs on blasting
materials alone. I did not think it the least
necessary to take or record my own mea-
surements.

As to the lime Mr. Allen is forgetful.
Nearly all I used I got up from the Coast
slaked and in gunny bags. I built a
shed for its storage close to the mill. Mr. Allen
cannot forget this. The shells your depart-
ment wished me to buy I tried to buy but
they were so bad that I refused to take them.
I can produce my bills for the lime I pur-
chased. I think you will find the best
portion of the shells in a hut by the
road side.

I really am very weary about this
matter, and am willing to come to any
settlement. Hook it up on solicitation
and disinterestedly and if I am paid up
fully shall be some 1700 or 1800 Rs out of
pocket.

I told Mr. Wilson that without ques-
tion I would accept all his deductions
except as to the amount of rock blasting.
He was fair minded but on the matter
of the blasting he was I thought and told
him

him, illogical. He employed deduction
in all cases but when he came to the
rock he was inductive. If you will kind-
ly spare time to read all the papers
and then say to me only so much is
due to you I will accept the amount
without further question. I feel sure
you will not allow me to be punished
more than is necessary for my absolute
confidence in the D. P. W.

Shave etc.
