READ—the following papers:—

From L. R. BURROWS, Esq., Collector of the Nílgiris, to the Secretary to Government, Public Works Department, dated Ootacamund, 29th February 1888, No. 12.

At the instance of the Superintending Engineer, IV Circle, I have the honor to submit copy of his letter No. 33 W., dated 1st February 1888, with the estimate, in original, amounting to Rs. 2,950, for alterations and improvements to the late district jail buildings at Ootacamund, and to request sanction to the estimate and provision of funds.

ENCLOSURE.

From J. W. MARTIN, Esq., Officiating Superintending Engineer, IV Circle, to the Collector of the Nílgiris, dated Pundalur, 1st February 1888, No. 33.

With reference to G.O., dated 3rd November 1887, No. 2910 W., I have the honor to forward, for transmission to Government for sanction and provision of funds, an estimate, amounting to Rs. 2,950, with duplicate abstracts, for alterations and improvements to the district jail buildings at Ootacamund for the accommodation of public offices and for the Apothecary attached to Army head-quarters.

2. The work was ordered to be commenced in anticipation of sanction to the estimate as per verbal instructions of the Chief Engineer.

3. The estimate provides for alterations to accommodate the following departments:—

	RS.
Inspector-General of Jails, approximate amount	1,170
Deputy Tahsildar's office, approximate amount	780
Registrar's office	390
Apothecary's quarters attached to Army head-quarters	610
Total ...	2,950

and request, therefore, you will be good enough to obtain the approval of the heads of the departments, if necessary, before submitting the estimate to Government.

No. 1016 C, Public Works.

Forwarded to the Superintending Engineer, IV Circle, for submission of a block-plan showing the proposed distribution of accommodation.

2. The estimate should be countersigned by the Quartermaster-General and the Inspector-General of Registration before it is re-submitted.

(By Order.)

9th March 1888. (Signed) W. L. C. BADDELEY, Captain, R.E.,
Under-Secy. to Govt., P.W.D.

From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 7th March 1888, No. 89 E.W.

Adverting to G.O. No. 565 W., of 17th ultimo, I have the honor to submit a plan and estimate of the arrangement made in the district jail buildings at Ootacamund for accommodating the Registrar's office.

2. The area allowed in the standard design for offices of Registrars of a district consisting of *several* taluks is 1,200 square feet, and in that for Sub-Registrars, 612 square feet; while the accommodation provided for the Nílgiri Registrar's office in the above jail buildings is 1,108 square feet, which I consider is ample and excellent, as it is understood, from inquiries made, that the Nílgiri Registrar has only two clerks and very little work to do.

3. The alterations provided in the estimate have been completed.

From the Superintending Engineer, IV Circle, dated 14th April 1888, No. 137 E.W.

From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Ootacamund, 25th April 1888, No. 156 E.W.

Adverting to your endorsement, No. 1016 C., of 9th March 1888, I have the honor to retransmit the estimate of Rs. 2,950 for alterations and improvements to the district jail buildings at Ootacamund for the accommodation of public offices and for the Apothecary attached to Army head-quarters, duly countersigned by the Quartermaster-General and the Inspector-General of Registration, together with a block-plan showing the proposed distribution of accommodation.

2. In returning the estimate, the Quartermaster-General noted that Medical Warrant officers are entitled to a stable, and that it is desirable to provide one to complete the quarters. I have requested the Executive Engineer, Nílgiri Division, to submit a supplemental estimate for stabling for the Apothecary's quarters; and he is entitled to it, *vide* Appendix C of the Public Works Code, page 21.

3. The papers received with your endorsement under reference are herewith returned.

The estimate, amounting to Rs. 2,950, for alterations and improvements to the district jail buildings at Ootacamund, to accommodate certain public offices and provide quarters for the Apothecary attached to Army head-quarters, is sanctioned.

2. A sum of Rs. 2,180 having been allotted for the work during 1887-88, the Superintending Engineer will apply for the unspent balance of the estimate in his statement of demands for incomplete and minor works.

3. This sanction has been registered as Provincial No. 22 W. of 1888-89, and classified as Civil Buildings, Original Works.
