SIR,

Enclosures 3

I have the honor to submit for sanction a revised estimate prepared by the Public Works Department for Rupees 970 - for repairing the Head Quarter office building at Vizagapatam in lieu of the one for Rupees 3725 - sanctioned in G.O. No. 2873 W, dated 17th November 1884, on the representation made by the Superintendent of Police that the repairs and alterations proposed by the S. P. W. in the original Estimate were to a certain extent unnecessary and altogether too costly.

2. The provision made for this work in the D.P.W. Budget for 1885-86 was withdrawn by Government in order no 1316 W, dated 6th June 1885 (1633 mis dated 19th June 1885 Judicial Department)

3. The Superintendent of Police reports that the repairs now proposed are urgent, and that it requires professional skill to restore the building to a sound condition. The Superintending Engineer needs the sanction of Government under para 1316 of the Public Works Code for his department in undertaking the work.

4. I therefore request that Government will be pleased to order that the D.P.W. may execute the work, providing funds from their Budget, as I have no funds at my disposal.
