General Account.

READ—the following paper :—

From J. W. RUNDALL, Esq., M.I.C.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 4th September 1888, No. 1297 T.J.

I have the honor to request sanction to the following modification of allotment under Provincial, Civil Buildings, Original Works :—

From	Rs.	To	Rs.
Tanjore Division.		*Tanjore Division.*	
(1) Tahsildar's office at Kumbakónam, item No. 19, class A works, part I of the budget, 1888-89, out of the grant of Rs. 14,991	9,991	(4) Improving Tahsildar's office at Máyavaram, item No. 18, class A works, budget of 1888-89, in addition to grant Rs. 4,680 ...	2,093
Madura Division.		*Negapatam Division.*	
(2) Improving Tahsildar's office at Usilampatti, item No. 20, class A works, part I, budget of 1888-89, out of grant Rs. 2,700	280	(5) Alterations and improvements to St. Joseph's College buildings to fit them for use of public offices, item No. 77, class A works, budget of 1888-89, in addition to grant of Rs. 12,360	3,121
(3) Providing wire-netting to the roof ventilators of blocks and renewing the existing wooden palisades in the District Jail, item No. 39, class A works, budget of 1888-89, from grant Rs. 4,482	369	*Madura Division.*	
		(6) Preservation of Tirumal Naick's palace at Madura and adaptation for public offices, item No 78, class A works, budget of 1888-89, and G.O., No. 1968 W., of 2nd July 1888, in addition to grant of Rs. 1,449.	900
		Trichinopoly Division.	
		(7) District Jail at Trichinopoly, item No. 38, class A works, budget of 1888-89, in addition to grant Rs. 10,000	3,526
		Tanjore Division.	
		(8) Second-class Police station at Vellam, estimate Rs. 2,260, sanctioned in G.O., No. 943 W., of 28th March 1887, item No. 43, in class B works of budget of 1888-89	1,000
Total ...	10,640	Total ...	10,640

2. *Item No.* 1.—The revised estimate for the work submitted through the Collector with this office No. 1656 T.J., dated 7th December 1887, has not yet been sanctioned, nor has the site originally selected been vacated. Hence there is no prospect of the budget grant being fully utilised. The Collector has, moreover, written to the Executive Engineer about altering the proposed site, so probably further delay will arise. Should this be the case, the balance of the grant will have to be given up.

3. *Items Nos.* 2 *and* 3.—The sums surrendered have been granted in excess of the estimate for No. 2 and of balance of the estimate for No. 3.

4. *Items Nos.* 4 *and* 6.—The sums now applied for are the balances of the estimates required for the completion of the works. These were included in my statement of demands for incomplete works, but funds were ordered to be applied for later in the year (*vide* G.O., No. 1968 W., of 2nd July 1888).

5. *Item No.* 6.—For this work Rs. 3,868 were applied for in the statement of demands for incomplete works, but only Rs. 864—the balance of the estimate for the whole project—were granted, promising further allotment on receipt of the revised estimate. The only sub-works that remained incomplete at the end of March last were (1) accommodating Collector's office; (2) providing lightning conductor to dome G; and (3) record racks to the District Court. All these have since been completed and the amount now applied for is to cover the outlay already incurred in excess of the existing grant and to settle some claim remaining.

6. In the statement of demands for incomplete works, the balance of the estimate for locating Collector's office in the palace was applied for as it was not known what savings there would be. As, however, the whole work has been already completed, it is not now necessary to send in any revised estimate. The causes of savings and excesses will be explained in the completion reports.

7. *Item No.* 7.—In this case also the balance Rs. 4,839 of the estimate was applied for in the statement for incomplete works, but in G.O., No. 1968 W., of 2nd July 1888, its allotment was ordered to be applied for later in the year. Rs. 3,526 now available from the amount surrendered is applied for; the remainder will be included in the application to be sent hereafter.

8. *Item No.* 8.—The Superintendent of Police appears to be anxious to have the new station-house built soon. In a letter dated 20th February 1888, No. 56, to the address of the Executive Engineer, the above officer states that the present building is in a bad state of repair, and that he cannot throw away any money on it, if it is proposed to take the new work in hand. Rs. 1,000 are therefore applied for to enable the new station-house to be put in hand.

ORDER—dated 19th September 1888, No. 2940 W., Public Works.

The following reappropriations of funds are sanctioned:—

ORDER—dated 2nd July 1888, No. 1968 W., Public Works.

With the papers above recorded, Superintending Engineers and the Consulting Architect to Government submit statements of demands under Provincial for incomplete works of 1887-88 and for minor new works, repairs, and tools and plant for 1888-89.

2. The provision in the budget under "Reserve" was Rs. 2,27,213, and it has been since reduced to Rs. 2,20,957 with reference to modifications of grants subsequently sanctioned. Adding to this Rs. 2,665, the total of the amounts resumed from the grants already provided for items 15, 47 and 50 of statement B printed with these Proceedings, the sum available for distribution is Rs. 2,23,622.

3. The demands under original works amount to—

	Rs.
Incomplete major works	1,87,571
Do. minor works	6,020
Do. Registration works	11,343
Do. Police works	10,298
Lump sum for minor works	53,094
Total ...	2,68,326
New major works	58,226
Do. minor works	16,688
Do. Registration works	28,707
Do. Police works	30,733
Total demands ...	4,02,680

4. The allotments sanctioned under original works are detailed in statements A and B, and they amount to—

	Rs.
Incomplete major works	93,352
Do. minor works	4,735
Do. Registration works	11,027
Do. Police works	10,298
Lump sum for minor works	53,094
Total ...	1,72,506
New major works	31,898
Do. minor works	5,402
Do. Registration works	2,360
Do. Police works	...
Total allotments ...	2,12,166

5. The demands under incomplete major works include additions to allotments already provided in the budget, but these demands have not been complied with, with the exception of items 49, 67 and 69, as it is now too soon to consider the question of supplementing budget grants. Funds have been provided for all other incomplete works brought forward by Superintending Engineers and the Consulting Architect to Government. The sum of Rs. 1,378 required for completing the cart stands on the road from Kullar to Gotacamund has not been provided as the Government decline to allow any more money to be spent on the work.

6. In the case of new works, grants have been provided only for those the urgency of which has already been brought to the notice of Government, and for which provision of funds was promised to be considered when disposing of the demands on account of incomplete works.

7. The marginally noted works should have been included in the Superintending Engineers' budget-estimates for 1888-89. Funds have now been allotted to them with much inconvenience, as the small reserve with the Government is intended chiefly for such incomplete works as were expected to be completed before 31st March 1888, but were delayed owing to unforeseen causes.

* Item 30. Additions and alterations to the District Jail, Cuddapah.
Item 43. Water-supply of northern section, Ootacamund.
Item 46. Public offices, Ponáni.

8. The Superintending Engineer, V Circle, applies for a sum of Rs. 10,694 for expenditure during the current official year on "widening the Elephant Gate Bridge, Madras." With reference to G.O., No. 1090 M. (Local and Municipal), dated 22nd October 1887, the Financial Department will be requested to place the amount at the disposal of this department.

9. The demands under "Repairs" and "Tools and Plant" and the allotments sanctioned against them are shown in statement A. The demands under Communications and Miscellaneous Public Improvements being in excess of the budget provision under these heads, a sum of Rs. 8,570 has been transferred from the budget provision under "Civil Buildings," viz., Rs. 6,370 to "Communications" and Rs. 2,200 to "Miscellaneous Public Improvements," and the demands under Tools and Plant have been reduced to bring the total sum within the budget provision, Rs. 43,742.

10. A sum of Rs. 5,200 is appropriated from the "Reserve" to meet the increased provision under Tools and Plant, London supplies, with reference to the indents alluded to in G.Os., Nos. 1467 W., dated 18th May 1888, and 1965 W., dated 2nd July 1888.

2. Item No 1- The revised Estimate for the work submitted through the Collector with this office No 1656 J. J dated 7th December 1887, has not yet been sanctioned, nor has the site, originally selected, been vacated. Hence there is no prospect of the Budget grant being fully utilised. The Collector has moreover written to the Executive Engineer about altering the proposed site, so probably further delay will arise. Should this be the case, the balances of the grant will have to be given up.

3. Items 2 & 3. The sums surrendered have been granted in excess of the Estimate for No 2 and of balance of the Estimate for No 3.

4. Items 4 & 5- The sums now applied for, are the balances of the Estimates required for the completion of the works. These were included in my statement of demands for incomplete works, but funds were ordered to be applied for later in the year. Vide G. O.

No

No 1968 W. of 2nd July 1885.

5. Item No 6- For this work Rs 3968 were applied for in the Statement of demands for incomplete works, but only Rs 864 - the balance of the Estimate for the whole project - were granted, promising further allotment on receipt of the revised Estimate. The only sub works that remained incomplete at the end of March last were (1) Accommodating Collectors office, (2) Providing lightning Conductor to Dome G, & (3) Record racks to the District Court: all these have since been completed and the amount now applied for is to cover the outlay already incurred in excess of the existing grant, and to settle some claim remaining.

6. In the Statement of demands for incomplete works, the balance of the Estimate for locating Collectors office in the Palace was applied for, as it was not known what Savings there would be. As however the whole work has been already completed, it is not now necessary to send in any revised Estimate. The causes of Savings and excesses will be explained in the Completion Report.

7. Item No 7- In this case also the balance Rs 4839 of the Estimate was applied for in the Statement for incomplete works but in G.O. No 1968 W of 2nd July '85, its allotment was ordered to be applied for later in the year. Rs 3526 now available from the amount surrendered, is applied for; the remainder will be included in the application to be sent hereafter.

8. Item No 8- The Supt: of Police appears to be anxious to have the new Station house built soon: In a letter dated 20th February '88, No 56 to the address of the Exec: Engineer, the above officer states that the present building is in a bad state of repair, and that he cannot throw away any money on it, if it is proposed to take the new work in hand. Rs 1000 are therefore applied for to enable the new Station House to be put in hand.
