Read the following letter from the Superintending Engineer 8th Circle to the Collector of Madura dated 8th August 1888, No. 227. R.N. and the endorsement thereon dated 18th August 1888, No. 261. by the latter officer.

I have the honor to forward for your approval and submission to the Court of Wards for their sanction a revised estimate in the form of a comparative statement amounting to Rs 4237 for constructing a granary at Pogalur in the Rammad Taluk.

2. The original estimate of Rs 3800 was sanctioned by the Court of Wards in their Proceedings No. 1346 dated 6th September 1887.

3. The excess of Rs 437 over the sanctioned estimate is due to the substitution of Brick work for concrete as kunkur stones are not procurable within a radius of 10 miles from the site. Increased rate for brick work is necessary owing to distance bricks have to be carted.

4. The original estimate was carelessly prepared.

Submitted to the Court of Wards for sanction together with the revised estimate. Resolution.
