To

The Chief Engineer

P.W.D.

Sir

With reference to our conversation,
before I left Colacamund, regarding
accommodation for my office I now have
the honor to report as follows & to request
sanction to the proposed arrangement.

(2)

As you are doubtless aware it is
not an easy matter to obtain house accom-
modation at Bangalore. So that I was
so far fortunate in obtaining a house
conveniently situated, with respect to
the two Projects to be investigated (i.e.)
at the outer (northern) end of the High
ground.

Letter from the President, District Board, Nellore of 7th August 88 No. 1054 D/B.

With reference to your indorsement No. 639 of 1st August 88 on Current No. 2420 Local & Municipal Department, I have the honor to state that the Contractors had on several occasions been directed to refund the sum of Rs 22-4-0 referred to in the letter of the Examiner of Public Works Accounts, Madras (herewith returned) but without effect.

The

2. The Government Pleader of this District was therefore requested to institute a suit against the contractors to effect the necessary recovery, but he has returned the papers stating that the District Board had no cause of action against the contractors mentioned & that a suit, if necessary, should be instituted by the Public Works Department or their contractors. This has been communicated to the Superintending & Executive Engineers on 6th August 1888.

3. Copy of Government Pleader's letter N^o 44 of 9th July 1888 is herewith forwarded for perusal.

Order thereon of 31st August 1888 N^o 16252 (mis)

Communicated to the Public Works Department.

It is not considered that the District Board is liable. If the stores in question were the property of Government itself, and not of a contractor, they would be

be exempt under Section 87(3) and the toll levied may be recovered by suit from the toll contractor.
