Quarters.

I am directed to acknowledge the receipt of your endorsement No. 3535, dated 30th May 1888, asking, at the suggestion of the Quarter Master General, Madras, that the following correction may be made in Army Regulations, India, Vol. I, Part II, Para. 262, on the subject of the grant of hutting allowance to Hospital Assistants and Native Medical pupils when unprovided with quarters :— For the word "free" in the first line substitute "public."

2. In reply I am to state, for the information of the Governor in Council, that it is the intention of the Government of India that Hospital Assistants and Native Medical pupils shall, in all ordinary cases, be provided with *free* quarters either in Government or hired buildings. The proposed alteration of the regulations is, therefore, undesirable.
