READ—the following letter from D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 31st March 1885, No. 141 W. :—

With reference to G.O. No. 736 W., dated 24th March 1885, I have the honor to request that I may be favored with the views of Government in regard to the procedure to be adopted when buildings are hired for the use of the Military Department.

2. It has been the practice hitherto to communicate sanction for the hire of private buildings to this office, in the form herewith enclosed (which please return), but I doubt whether this need be done in future, or whether any sanction of Government to the hiring of private buildings is necessary except in extraordinary or ultra-routine cases.

3. Under code paragraph 1221, Executive Engineers are prohibited from paying for hired premises unless under sanction of Government except in cases of buildings required for military purposes. Under code paragraph 1396 A. *et seq.*, the department is not only authorised, but required, to hire accommodation when necessary, and though the paragraph states that this is to be done "under the orders of Government" and with "previous sanction," I doubt whether such order or sanction is intended to be given in all ordinary and routine cases. Outside of the buildings which come under paragraphs 1419 and 1420, accommodation required from this department is laid down in paragraph 1463, and inasmuch as it is so laid down, it seems to me superfluous to require any further order or sanction for its provision, even by hire of private buildings.

4. If accommodation *must* be furnished, this department cannot well be limited as to the rent payable for private buildings, though it would obviously endeavour to pay no more than the compensation scale.

5. Under the orders communicated with G.O. No. 736 in question, no accommodation can now be engaged by the Military Department. Forms of notice, such as that enclosed, may perhaps be necessary for the Executive Engineers concerned, as a warrant for the rank of person for whom accommodation is required, but not for this office, which would audit the rent or the compensation with reference to the eligibility of the person to quarters, the Executive Engineer being responsible for the provision of quarters.

6. The points on which I request information are—

(1) Whether any special order of Government is necessary to the hiring of accommodation, when a general order is laid down stating the accommodation that this department is required to provide, and the ranks to be accommodated.

(2) Whether in cases in which the rent to be paid by the department exceeds the amount of rent (or compensation) fixed for rank sanction of Government is to be obtained previous to the quarters being hired.

(3) If sanction is necessary in either or both of the above, whether such sanction is to be given in the Military Department or in the Public Works Department.

ORDER—dated 9th April 1885, No. 861 W., Public Works.

The Examiner is informed that no special orders of Government are necessary for hiring accommodation admissible under code rules.

2. The rent to be paid will be settled by the Executive Engineer in each case; but the prior sanction of Government should be obtained when the rent proposed exceeds the authorised scale. Such sanctions will issue from the Public Works Department.

Executive Engineers concerned should, within that period, endeavour to provide other quarters at a rent not in excess of the authorised scale ; but when this is not practicable, renewed sanction for a further period of six months should be applied for.

Sir,

I have the honor to request you will be good enough to obtain the sanction of Government to the rent of a house for Apothecary Michael, attached to the General Hospital Madras at Rs 50 per Month.

2. The senior Medical officer in his Memo No 3740 dated 6 October 1887 applied to me to provide quarters for Apothecaries Trutwein, Hellien and Michael, and quarters were accordingly provided, by hire, for the 3 Subordinates within the authorised rate.

3. The Sub Divisional Offr i/c Civil work

work in his letter No 1611 dated 2[illegible]10-87 reported to me that Apothy Michael removed into another house renting for Rs 50 as he found the one provided for him at Rs 46/- was unhealthy. Mr Michael consents to pay the extra rent himself but as this arrangement may lead to some confusion hereafter I would request that sanction be obtained to pay the full rent.

The particulars of the present quarters are:

1. Door No 54
2. Orphans Broadway
3. Black Town.
4. Mr Nicholas Landlord
5. Rs 50 per month rent
6. Occupied from 1st October 1887.

Sir,

The Sub Divisional Officer, Civil works has brought to my notice that Apothecary Michael has vacated the quarters provided for him by the Department @ Rs 45 per month, and taking another @ Rs 50 per mensem. As this change has been effected without the intervention of the Department, I have the honor to inform you that I cannot pay the Bill for Rs 50, when submitted for payment.

Sir

In reply to letter No 970 d/20th October/87 from the Executive Engineer, I have the honor to state as that I have not been provided with a house by the D.P.W although I had applied for one and it was with great difficulty I secured the house in Stringer's Street for Rs 45, from Mr Ramanjooloo Naidoo, whose consent

whose letter accepting me as tenant was forwarded
to the Sub Divisional Officer in August last,
The P W have not signified their assent by inform=
=ing M Ramanjooloo Naidoo or entered into any
agreement regarding the quarter he had let to me; for
if such had been the case I would have not
been served with the enclosed threatening Registered
letter when he found the house rent not forthcoming
(which was since paid him by an order on the bank
of Madras)-

Finding the house unsuitable on account
of its limitted accommodation and the want of a
compound (the latrine bed room cook house and
bath house all being enclosed in a narrow space
about 30 feet square) and the whole of my children
being laid up with fever &c, one of whom died
within the month and further the house laboured
under the additional disadvantage of being
situated in a street which becomes flooded after
a shower of rain. I informed Mr Milne of my
intention of shifting into the house in Popham's
Broadway and obtained his approval, in as much
as he inspected the building before I went into it
and desired me to write informing him of my
occupation which I have accordingly done. Further
Mr Milne was of opinion that the house was
unsuitable.

I beg to add that it is not my intention
of claiming more house rent than that sanctioned
even if my exigencies necessitated my taking up
a house of higher rent than that allowed me.
I have no intention of claiming more than Rs 45
a month the difference being paid by me.

In conclusion I beg to observe that there
is the greatest difficulty in obtaining houses
without a lease being entered into for a prolonged
period of from 3 to 5 years, which was demanded
by the Land Lord of the house I have just
vacated, which was an additional reason for
my for my having vacated the house.

Sir,

In reply to your letter No 970 of 28th Ultimo, I have the honor to forward a letter from 2d grade Apothecary Michael, from which it would appear that he moved into his present quarter with the knowledge of your Assistant Mr Milne who inspected the quarters before occupation-

With a view to save expense to Government, to avoid future correspondence of this nature, and as a convenience to the warrant Officers of this Hospital, I would propose that your department erect suitable quarters for them within easy walking distance; for instance on the open space to the east of the Penetentiary.

Sir,

With reference to your letter No 3764 d/ 8-11-87 I have the honor to inform you, that as Apothecary Michael changed his quarters without my consent

Consent being first obtained, I do not hold myself liable to the payment of the Extra rent. As the rent of the house now taken by the Medical Subordinate is in excess of the authorised rate, the Sanction of Government is necessary to admit the charge, that sanction, I shall now apply for and till received no payment can be made. Mr Michaels' arrangement to pay the difference himself, may lead to confusion here after. The Consent of the Sub Divisional Officer was no authority for the Change.

2. As regards para 2 of your letter, I would suggest that you refer the matter to Government.

Sir,

With reference to letter No 1081 d/ 23d Novr/87 from the Executive Engineer P. W. I respectfully beg to state that I have occupied the present house with the consent of the Sub Divisional Officer as was done in the first instance when I occupied the house in Strangers Street.

2. I beg to add that while thankful to the Executive Engineer for that Officers kindness in applying for sanction for the full rent of the house, I submit that the house in question

question being private property ~~It~~ it is hard matter to expect the Land Lord to wait for his house rent until the sanction is obtained; the man may in all probability prosecute me for the ~~due~~ non payment of the rent due, as I was so previously threatened by the Land lord of the house I first occupied, I therefore beg that the authorized rent of Rs 45 may now be passed to meet the urgent demand of the land lord.

A Somewhat similar procedure, I am informed is adopted in the case of Apothecary Staggs who though tenanting a house at the rent of (Rs 50 per mensem) receives the pay of his grade, Viz Rs 45 monthly, and I beg that what is done in his case, may be done in mine, pending the sanction applied for. as I apprehend that there can be no objection to my obtaining the authorized allowance of house rent of my grade.

I beg further to add that the present house was since changed owners, a Company of Bombay Merchants having purchased it from Mr Nicholas with the object of opening a shop and I expect to receive a notice to vacate the premises.

17. Jan: 1888.

To

The Senior Medical Officer,
General Hospital,
Madras.

Sir,

With reference to Memo No 26, dated 25. Jan: 1888, from the Secretary to the Surgeon-General, I respectfully beg to submit the following Explanation.

2. As stated in my letter, dated 8. Nov: 1887, which was forwarded to the Executive Engineer under cover of your letter, No: 3764 of the same date, I was not actually provided with public quarters by the D. P. W. I was obliged as a temporary measure, being unable at the time to find any suitable dwelling, to engage a house in Stringer's Street, Black Town, at a monthly rental of Rs 45 per mensem from 1st September 1887. This house was inspected by the D. P. W's Sub-Divisional Officer, who permitted me to remain in the house until such time as I found a more suitable house to shift into. No measures were however adopted to relieve me from my engagement with the Landlord, who held me personally responsible for the rent, although the Landlords' letter accepting me as a tenant was forwarded to the D. P. W. In other words, the D. P. W did not enter into any direct engagement with the Landlord.

3. I found this house in Stringer's Street extremely unhealthy. My children were laid up with fever, and one of them died. The house is in close proximity to a Police Stabling, and a Native Parcherry, and no doubt its insalu condition is due chiefly to this cause, as well as to the flooded street during rains, and to the nearness of the out-offices to the main building.

4. I informed the D. P. W's Sub-Divisional Officer of my intention of quitting the house, and obtained his approval, inasmuch as he inspected my present quarters in Popham's Broadway before I removed into them, and desired me to write and inform him when I occupied the building, which I accordingly did. The Executive Engingneer's objection to the shifting rests on the ground that "the consent of the Sub-Divisional Officer was no authority for the change." Vide his letter to your address, No: 1081, dated 23d Nov: 1887; but I was not informed that it was my duty to have obtained the Executive Engingneer's sanction directly.

5. In this case also the house in Popham's Broadway was not directly engaged by the D. P. W, and in consequence I have had to pay the rent from my own pocket, for which I have not yet been recouped by that Department.

6. It will thus be seen (1) that the quarters in Stringer's Street were not provided by the D. P. W. (2). That even if the arrangement by which I submitted my Landlord's receipt to the D. P. W's Office for payment, be held to indicate that the house was so provided, I removed from the house with the full consent and cognizance of the local P. W's Officer, who has the provision of quarters for the Medical

Subordinates at Madras; and (3). that the unhealthy state of the house which resulted in the death of one of my children, forced me to vacate it.

7. In conclusion, I beg to submit the enclosed copy of correspondence in support of the statements herein made, and to solicit that under the circumstances stated, the rent due to me may be passed, and I allowed to continue in the house, until another suitable one at a reasonable distance from the Hospital can be found at the authorized rate of rent.

Sir,

I have the honor to acknowledge receipt of your memo, No. 26 – dated 5th instant, with enclosures (herewith returned) and in reply to submit Apothecary Michael's explanation of the circumstances under which he gave up his former quarters. I consider the explanation satisfactory so far as Mr. Michael is concerned, It was necessary that he should have a house, but as the D.P.W has not apparently up to date even, hired quarters for him he was obliged to do so for himself, and in all the cases that have come under my notice, this is is the procedure the D.P.W has adopted; it has not hired the quarters direct from the landlords, but has only nominally done so, leaving the apothecary still directly answerable to the landlord for the rent.

This correspondence further emphasises the recommendation made in my letter, No. 3783 dated 29th November 87, that Government should be urged to erect quarters for the apothecaries near the hospital, and I trust that the Surgeon General will press this matter.

In returning the papers referred to me for remarks under your Endorsement No. 5220 current of the 20th ultimo, I have the honor to forward for your information the accompanying letter with its enclosures from the Senior Medical Officer General Hospital from which you will observe that Apothecary Michael was not provided with quarters by the Public Works Department.

No. wrongly quoted.

He appears to have made his own arrangements in engaging both houses and obtained on each occasion the consent of the Sub Divisional Officer. He has also, in my opinion, shewn sufficient grounds for vacating the first house and I would therefore support the recommendation of the Executive Engineer that Mr. Michael be granted rent at the

the rate of Rupees 50 a month.

3. With regard to the last para of Brigade Surgeon Porter's letter I have informed that officer that Government cannot at present be asked to erect quarters.
