The Superintending Engineer,

To

The Chief Engineer

J. W. D.

Thro' the Examiner J. W. Accounts

Sir,

ENCLOSURES.

I have the honor to inform you that a Lascar named Gurnathu was transferred from the Madras to the Tinnevely Division in May last; and the mileage for journey by Road and train charge were claimed in the Travelling Allowance Bill of the Tinnevely Division; but the Examiner of J. W. Accounts has disallowed the whole claim under Section 33 of the Travelling Allowance Code and G. O. No. 822. W. of 12th March 1888.

2. The Lascar was transferred in the interest of the Public Service. If the charges actually incurred by him are disallowed, it would be a great hardship especially to a man of such limited means. I request

therefore

* Dis. list No. 105 of
1888-89.

therefore that you will be good enough to authorize
the Examiner P. W. Accounts to pass at least train
charge, vizt. Rs. 1-14-0, as a special case.

3. As cases of the kind under reference
may occur, in future, by transfer of inferior
servants from one Division to another, I request
that you will be good enough to obtain a
general order to defray the Railway fare
incurred under similar circumstances.

I have the honor to be
