Sir,

I have the honor to return the
Surrender and Conveyance deed of the B. M.
School Buildings which has only this day been
returned to me from the Registrar's Office. I

lution passed at a meeting of the Committee held
this day, with reference to this deed.

"With reference to the deed of Conveyance
dated 28th day of November 1887 and executed by
the Trustees, for transferring the present Brooks
Memorial School Buildings to Government, the
Committee understand that the clock is not
included in the conveyance and are of opinion
that it should be removed to the new Buildings.
The removal of the clock and its erection in
the tower of the new Building will I presume
be undertaken by your department."

Note.

The current year's grant for the Law Courts at Calicut is Rs. 3,188 and Rs. 13,500, being the balance of the sanctioned estimate for the work, are provided in the next year's budget. The sum of Rs. 2,000 which is now applied for cannot be provided as provision has to be made first for liabilities already incurred. The reserve with the Govt. now amounts to Rs. 16,155, but that sum is required towards providing funds (Rs. 3,000) for the iron bridges in the Potinghi Ghât and Koraput roads.

The following reply is therefore proposed:-

No additional funds can be sanctioned in the current year by Calicut Law Courts. The balance of the sanctioned estimate is provided in the next year's budget.
