Sir

I respectfully beg to report tha my case was called on for hearing on the 10 Instant, before the Hon'ble Mr. Justice Kernan and after due enquiry I was discharged and directed to pay Rs 6 per mensem towards my debts.

I respectfully beg to explain that I was compelled to appeal to the Court as by my father's death I became liable to the payment of his debts though I did not, I beg to assure you, enjoy any portion of the money borrowed, and further one of the Creditors having attached a moiety of my salary (Rs 52) it was simply impossible for me to maintain myself and 7 members of my family on the balance Rs 26, a glance at the cause of my insolvency will convince you that my case is not one of extravagance or fraud and it not for the unfortunate death of my father who was a member of the Royal Carn family drawing a Govt pension of Rs 14 per mensem I would not have been forced to file my papers.

I may also here explain that the larger portion of the debts was contracted by my father during my minority and when I was compelled to oblige my father in countersigning.

I respectfully beg that under these circumstances and in consideration of my services of 7 years and my conduct in office and steady application to work you will be pleased to recommend my early reinstatement.

I beg to remain
Sir
Your most obedt servant

Cause of Insolvency

I became involved in lending my name to a purchase of 2 houses made by my father Delair Jung Bahadur in 1876 and subsequently signing a deed of hypothecation in respect of the said 2 houses during my minority and also prosecuting a Civil Suit No 104 of 1881 against one Abdul Razack Sahib & 3 others for the recovery of the said 2 houses the property mentioned in the said hypothecation bond, which suit was dismissed against me with costs and as well as in signing almost all Pro-notes jointly with my father who was one of the members of the Royal Family of the Carnatic in receipt of a monthly pension of Rs 140 from the Govt. of Madras, in favor of almost all the Creditors mentioned in my schedule. My father departed this life on 4th day of June 1888, During to his death the said debts remained due & unpaid. That the income I receive as my salary is hardly sufficient to meet the expenses of my family consisting of 7 members all of whom are solely dependent on me for support. The Creditor No 2 has taken out a writ of attachment against my salary of Rs 52 a moiety of which has been detained and paid to him for the last 2 months. The attachment against my salary has greatly increased my difficulties. Creditors No 1, 2, 3 & 8 having obtained judgments against me on account of the debts due by my late father are threatening me with execution and other creditors are harassing me with proceedings. That my father's dealings with most of these Creditors have extended over a period of 12 years during which they used to compel him and me to renew old Pro-notes from time to time either deducting the interest in advance or adding the remaining portion of old Pro-notes to the renewal Pro-notes, & thus receiving compound interest upon the loans borrowed by my late father, and the debts have thus increased to their present amount. In all these transactions & dealings I was an accommodating party. Under these circumstances having no present means to meet my liabilities I am obliged to seek the benefit of the Act for the relief of Insolvent Debtors at Madras –
