NOTE OF REMARKS.

The estimate under  
review amounting to  
Rs. 886 provides for con-  
verting the terraced  
roof of the Remunkonda  
Taluk Office, in the  
Anantapur District,  
into a tiled roof.

It is explained  
in this report accom-  
panying this Estimate  
that the roof, which is  
that known as the  
"Dungut Terrace", leaked  
very much, several  
attempts were made  
to stop the leaks with  
success. It is now  
to remove the  
and one corner  
flat tiles and  
put a new tile  
mission to

ridges and line flushing  
for the valleys. These  
arrangements it is  
considered will prove  
effective.

As far as can  
be checked the work  
was fair.

The Estimate had  
been countersigned  
by the Collector  
and approved by  
Govt. in the Revenue  
Dept.:-
