PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of
the Board of Revenue (Land Revenue) dated
6 Sept. 1888, No. 5331. Mis: on letter from the
Collector of Trichinopoly dated 27 August
1888, No. 447.

In reply to Board's Proceedings
Mis: No. ⁵⁰¹⁶_{20.8.88} I have the honor to report that
I have asked the Dept. of Public Works to post-
pone alterations to the portion of the Artillery Barracks
which will be required for the Collector's residence
but have requested them to proceed with the work
on the Gunshed and Treasury. These items are
by far the most important ones and will not be in
any way affected by the question under dis-
posal and I think it is most desirable that the
transfer should be made with as little delay
as possible so that my establishment may
have time to arrange matters during the
next few months when work will be slack.
I request the Board's approval to this departure
from its instructions.

2. My further report will follow on
receipt of the necessary plans from the
Executive Engineer.

Resolution:- Submitted to
Govt.

N.B.—In any future com-
munication on this subject, the
number and date of this letter
should be quoted.
