GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

Resolution of the Government of India, Department of Finance and Commerce (Accounts and Finance—Financial Department—*Rules and General Matters*), dated Simla, the 3rd September 1888, No. 4839.

Read again—

Resolution in this Department, No. 3853, dated 24th November 1879, and Circular No. 2601, dated 11th August 1883.

Observations—

The Resolution of the 24th November 1879 directs that every application, in whatever department arising, for the relaxation of any rule or order of the Government of India in the Financial Department, should be addressed to the Financial Department, in which arrangements would be made for the consideration of all such cases in the other departments of the Government of India concerned. These orders of November 1879 were re-affirmed in para. 3 of the Circular of the 11th August 1883.

Resolution—

The procedure then prescribed was intended to diminish the number of inter-departmental references, but it is found to give rise in many cases to considerable inconvenience and delay, and it appears probable that a return to the former procedure would, on the whole, facilitate the disposal of business.

2. The Governor-General in Council now directs that the orders contained in the Resolution of the 14th November 1879 and in paragraph 3 of the Circular of the 11th August 1883 be withdrawn, and that all communications relating to pay, allowances, leave and other service rules and privileges, in any departments other than those noted in the margin, shall be primarily addressed to that Secretariat of the Government of India in which administrative questions relating to the department affected are dealt with.
