For orders -

The pensioner maintains
that he was injured on
the Harbor works, while
the Trust Board says
that he was not.

4.10.48

While the petitioner was
employed on the Harbor
works, a piece of gravel was
blown into his eye - Some time
afterwards he attended the
Eye hospital & obtained the
certificate from D Bonkman
upon which he bases his claims.
The Harbor Trust consider
that the man has no claim
upon them, and I see no
reason why they should
alter their opinion.

Inquiry to the eyes from
gravel blown into them

cannot be considered as
"hush on duty"

The certificate given by
D Buchanan must have
been based upon evidence
given by the petitioner, for
Mr Thwaites was enquired
into the case & would not
support the claim to pension
of petitioner.
