From

A. J. Arundel Esq:,

To

Sir,

In returning the Enclosures of your letter No 1470 Ks dated 22nd September/88, I have the honor to inform you that I am clearly of opinion the Sub Registrar's Office should be kept separate from the Sabeg- Cutcherry. Each plan & building is now complete in itself, and the Registrar's Office forms a handsome structure alone, and you remark that no appreciable economy will be effected by Combining the two-

The locality is well adapted for giving the Sub Registrar's office a frontage to the main road adjoining the Salem Cutcherry.

I have &c

/sd/ A. Hammanthakow
for Collector.
