The payment of the salary
of Mr. Clift Executive Engineer
1st. Grade prior to audit was
irregular under P.W.D. Code para
473(7) but was probably made under
a misapprehension of the rule which
may easily be understood to apply
to salary from date of joining the
new division instead of from date
of relief in the old division— the
date from which salary becomes
debitable to the new division.

2. I would suggest therefore
that the Code rule may be made
clearer on this point.
