READ—the following paper:—

Proceedings of the Board of Revenue (Land Revenue), dated 15th September 1888, Mis. No. 5524.

H. S. THOMAS, ESQ., F.L.S., F.Z.S.

From A. T. ARUNDEL, Esq., Collector of the Kistna District, to the Secretary to the Commissioners of Land Revenue, dated Masulipatam, 27th August 1888, No. 4844.

I have the honor to forward a plan and an estimate for Rs. 1,845 required for carrying out certain improvements to the taluk cutcherry at Répalle, and to request that the sanction of Government may be obtained for the necessary allotments to be placed at the disposal of the Public Works Department.

2. At present there is no guard-room for the police, the treasury-room is too small and the whole cutcherry is dark and ill-ventilated. It was at first proposed by the police to build a separate station on the opposite side of the road, but the present improvement (which the Superintendent of Police approves) will retain the police guard where it ought to be, namely, between the treasury and the sub-jail wards.

3. The estimate provides for the foregoing and other necessary improvements.

Resolution—dated 15th September 1888, Mis. No. 5524.

The plan and estimate for making certain addition and improvements to the present taluk office at Répalle, at a cost of Rs. 1,845, are submitted for the sanction of Government and the provision of funds in the budget of the Public Works Department.

2. The addition consists in building a guard-room for the police and the improvements in extending the present treasury-room and connecting it with the guard-room, in raising the compound wall, and in making certain other alterations to the building to afford more light and ventilation, all which are stated to be necessary.
