L W Martin
Executive Engineer
in charge

committing petitioners to her worthy Subor-
-dinates for sure assistance.

Oh Most Gracious and tender hearted
Excellency! have mercy upon petitioner's
unfortunate condition. That unless peti-
-tioner was blessed with a good recommendation
in a proper & successful way endorsed with
your Excellency's worthy & charitable ^{from} figures
the consoling words as "Help him" on it,
there will be no Gentlemen on earth under
your Worthy Sovereignty who can perform
~~mercy~~ the act of "mercy" instead of "sacrifice".
For all are under the Law. They should
fulfil the Law. and poor petitioners
case would be "like a law suit of a poor
man in the Court."

Now either order petitioner a speedy
assistance to or cause him to utter ruin
with his large family it depends upon your
Excellency's Royal will.

The God Almighty & the Lord of Hosts may
bless your Excellency's going out & coming in &
crown your Excellency's days with the happiness
of both worlds.
