Sub Engineer
Public Works Department
Nilgiri Division
Ootacamund

The humble petition of the undersigned, Mary, wife of the late Mr J Holden, now a widow, an overseer in the P.W.D. Nilgiri Division most respectfully showeth

That the late Mr Holden served in the Department for more than 10 years during this long period of Service he has been employed for the most part in Wynaad particularly in Cherambady a sickly place. His last illness being fever and Diarrhoea contracted in Cherambady while he was employed to superintend the construction of the Bridge, which proved fatal to him and died. Thus he was subjected to the unhealthy climate of Wynaad executing his duties wherever he was directed.

His pay has been almost applied to meet the medical charges to keep up his health and travelling expenses and hardly left any thing for the Support of his family and self, which compelled him to incur a heavy debt, thus he has left behind him with this burden your humble petitioner a poor widow in a most helpless pitiful condition, even the funeral expenses yet remain unsatisfied
