To

His Excellency the Right Honble
The Most Gracious Governor of Madras.

May it please Your Excellency.

Your Excellency's most humble petitioner
with profoundest respect begs to bring the following
few lines to your Excellency hoping in the Almighty
a favorable reply, begging at the same time pardon
for want of due respect to your Excellency.

1. Petitioner on petitioning your Excellency on a
the 18th July last, was blessed with a consoling Post
Card through the Honble the Private Secretary stating
petitioner's case would be settled in the Council.

2. Petitioner while meditating on his future
prosperity & consoling himself that his suit have
caused too much sympathy in your Excellency's
paternal tender breast, petitioner to his utter
disappointment and ruin was ordered to leave
the office where petitioner was volunteer merely
for the fault of stating the word "volunteer" in the
petition to your Excellency which was contrary to the
Government rule & which, petitioner was quite
ignorant of.

3. Petitioner has been in the office for 5
months, only to acquaint himself with the works
connected with the office, without any ones calling.
instead of idling his poor days at home. Petitioner
is no impostor but a true man.

* Dated 25th July 1888.

to Govern-

osal.

Secretary.

4. Petitioner since the time of his dismissal have applied twice for a remedy but was fruitless, altho' several appointments were newly filled up in the office.

x4. Petitioner has no intention for a claim in the office & blame the officer for not displacing him. It only depends upon your Excellency's royal pleasure.

5. Petitioner had no intention of seeking help either from the Government or from the Council but from the most noble & gracious Governor of both, who is believed and adored thro' out the whole Presidency as the most charitable and never-tiring compassionate gentleman that have ever landed as Governor on the Indian shores, and the sole preserver of the reputation of our most gracious Queen Mother of the English, Indian & foreign nations, who has gone and is still going everywhere, without feeling Her old age, doing good to all, without distinction, imitating the Heavenly Master's examples, Who, requires from every Steward of His "mercy & not sacrifice".

6. Petitioner is not worthy to be spoken of in the Honorable Council &c as he is well aware that they could not be partial to their subjects! altho' petitioner's case was truly worth to be pitied by both, because the duty of the Govt is to protect petitioner (deaf, poor, & large family man loaded with vast debts) as well as rich & worthy.

7. Petitioner firmly believes that your excellency is possessed with such rare quality & wisdom as is far exceeded to that of Soliman's old when

when your Excellency has stooped so low as to give a helping hand to that of petitioner's; tho' your Excellency is unaccustomed in rambles & in disguises to discover personally the welfare of the unfortunate poor & justice done by subordinates as - Our Queen Empress, Lord Caliph Haron, Infidel Soldan Saladin, Lord Salisbury, Thomas Mann & others who by their memorable deeds unparalleled, kept their names unstained & memorable to ages.

8. Petitioner, seeing & feeling that all true sympathies are encased in your Excellency's noble person, was obliged to approach your Royal Throne with bended knees to beg a "Cup of Cold water" in the name of our Lord & Saviour Jesus Christ & thus to end his woes to total banishment thro' your Excellency's charitable act of 'mercy' in this Christian sovereignty.

9. If our most gracious Christian Mother who sways our land were in Madras or in Ooty and if She were to look into petitioner's last written petition containing petitioner's heart-rending groans, how Her tenderest heart will not break! Her maternal breast would never have trusted Her worthy subordinates to dispose his poor petition without rending Her heart first. She will embrace this time of charitable act & will certainly add tears to Her entreaties as a large & unfortunate family (of 8 grown souls) could starve; by kindly committing

ary to Govt disposal.

No. 2347 of 2-10-88
Enc: 2

The case is precisely
similar to that disposed of in G.O.
No. 393 dated 4th. September 1886,
in which Government sanctioned,
"as a special case" and "under
circumstances explained", the cost of
certain printing done at a private
press instead of at the Supg.
Engineer's press.

2. It has been hitherto held
by my office, as an inference from
the above quoted G.O., that sanction
of Government is required in such
cases. This inference seems to me
reasonable enough, but there is no
positive rule on the point, and I do
not myself see why (apart from this
inference) sanction of Government
should be required; therefore, when
objection was taken to the Supg.
Engineer's sanction, I gave instruc-
tions to ask the Supg. Engineer why
the printing at a private press was
necessary, quoting the above quoted
G.O. as going to show that the
sanction of Government was probably
necessary in such cases, and I intend-
ed on receipt of the Supg. Engineer's
reply to get the question settled
by a reference to Government as to
the necessity of Government sanc-
tion in such cases. The letter, I am
sorry to say, is not well worded.

3. With regard to the remark
of the Supg. Engineer that he has
several times informed me that he
has no telugu type, I may say that
there was nothing to show that telugu
type was required, and that, as far as
I can discover, the information as to
