READ—the following papers:—

From Major A. R. F. DORWARD, R.E., Executive Engineer, to the Adjutant-General, Madras Army, dated 23rd April 1888.

ABSTRACT.—Submitting his application for permission to proceed to Europe on furlough on private affairs for two years under the Furlough Rules of 1868.

No. 1099.

MEMORANDUM.

Re-enclosed with reference to para. IX of the Regulations for the instruction at Chatham of officers of Royal Engineers on furlough from India, laid down in clause 17, India Army Circulars of 1882, and with the request to be informed whether the time passed on duty at Chatham by Major Dorward, viz., from the 29th June 1881 to the 17th April 1882, reckons as part of, or as in addition to, the furlough granted him by G.O.G. No. 784 of 1880.

(By Order.)

(Signed) H. R. HOPE, Colonel,
Dy. Adjutant-General.

Office Note from the Examiner of Public Works Accounts, dated 9th May 1888, No. 1455.

The records of this office do not clearly show whether the time spent at Chatham by Major A. R. F. Dorward, R.E., was in addition to, or as part of, his furlough; but from an entry in his leave and service register, it seems probable that the period was in addition to furlough. The authority quoted for the entry referred to (which is not at all clear) is War Office S. W. R. G. No. 79227/3, dated 13th April 1882, which is not forthcoming in the records of this office.

No. 166 D.

Retransmitted to the Adjutant-General, with intimation that the records of this office do not give any definite information with respect to the question asked.

2. The only paper in this office on the subject of Major Dorward's posting to Chatham is that forwarded with the Adjutant-General's memorandum No. 587, dated 2nd August 1881.

3. It is possible that the War Office letter quoted by the Examiner, Public Works Accounts, is on record in the Adjutant-General's office.

OOTACAMUND,
14th May 1888.

(Signed) J. O. HASTED, Colonel, R.E.,
Chief Engineer, Public Works Department.

No. 1286.

MEMORANDUM.

Re-enclosed. There is no record in this office of War Office letter No. 79227/3, dated the 13th April 1882, referred to in memorandum No. 1455, dated the 9th instant, from the Examiner, Public Works Accounts, Madras.

2. Please say, with reference to Article 845, Army Regulations, India Volume 1, whether during the time passed on duty at Chatham by Major Dorward, viz., from the 29th June 1881 to the 17th April 1882, that officer received "furlough pay" or "English furlough pay."

3. In the absence of the information required, the necessary title certificate, Form B, cannot be furnished to the Examiner, Public Works Accounts, nor can the amount of furlough at the credit of Major Dorward be computed.

(By Order.)

OOTACAMUND,
19th May 1888.

(Signed)

H. R. HOBE, Colonel,
Dy. Adjutant-General.

Office Note from the Examiner of Public Works Accounts, dated 23rd May 1888,
No. 1543.

I have no information in this office as to whether Major Dorward received "furlough pay" or "English furlough pay" during the period he was on duty at Chatham, viz., from the 29th June 1881 to the 17th April 1882.

No. 233 D.

MEMORANDUM.

Retransmitted to the Adjutant-General, with intimation that the question asked in his memorandum above quoted cannot be answered from the records of this or the Examiner's office.

2. It is suggested that the amount of furlough under two years at Major Dorward's credit, calculated exclusive of the period passed by him at Chatham, be at once gazetted, and that the question whether the time passed at Chatham reckons as part of, or as in addition to, furlough be left for reference to the Secretary of State.

3. If this course be feasible, it is requested that the enclosed papers may be returned to this office after the Gazette notification has appeared, in view to the Secretary of State being addressed.

OOTACAMUND,
28th May 1888.

LETTER—to

THE RIGHT HONORABLE THE SECRETARY OF STATE FOR INDIA.

MY LORD,

With reference to letter to His Excellency the Commander-in-Chief, Madras, from the Deputy Adjutant-General, Royal Engineers, dated War Office, 5th July 1881, No. 112, Engineers, 1252, we have the honor to request the favour of information whether the time passed on duty at Chatham by Major A. R. F. Dorward, R.E., from 29th June 1881 to 17th April 1882, reckons as part of, or as in addition to, the two years' furlough granted to him in November 1880; and whether he received "furlough pay" or "English furlough pay" during the period in question.

2. Major Dorward recently applied for two years' furlough on private affairs, but, in the absence of the information asked for above, the Adjutant-General was unable to furnish a certificate to the effect that he was entitled to the leave applied for. We have therefore granted him furlough for one year and 118 days, the leave due having been computed by excluding the period passed at Chatham; and, on receipt of a reply from Your Lordship to the present reference, we shall report whether the full period of two years' furlough applied for can be granted.

We have the honor to be,

My Lord,

Your Lordship's most obedient humble servants,

(Signed) CONNEMARA.
