READ—the following paper:—

Office note from the Examiner, Public Works Accounts, dated Madras, 8th October 1888, No. 2376.

With reference to the Proceedings of the Government of India communicated with G.O., No. 2504 W., dated 16th August 1888, I beg to inquire whether the Capital and Revenue Accounts of buildings should include buildings that are maintained, or constructed *and* maintained, under Code rules (see paras. 1316 and 1332 to 1337) by other departments. If such buildings are to be included, special measures should, I think, be adopted for obtaining information regarding them, since they will not, under present rules (see para. 975) be borne on the books of Executive Engineers.

* No. 5, dated 24th July 1888 (circular).

2. I would also ask that the Government be moved to specify also the authority competent to sanction the appropriation as a residence of a building not intended for that purpose—see para. 3 of Government of India letter No. 192 A.G., dated 21st May 1888, printed with the Government Order quoted above.

ORDER—dated 13th October 1888, No. 3263 W., Public Works.

The question raised in para. 1 of the Examiner's office note will be referred for the orders of the Government of India.

2. As regards para. 2, the sanctioning authority will be the Government.
