Account.

READ—the following paper :—

G.O., dated 6th October 1888, No. 105 R., Financial.

Despatch from the Right Honorable VISCOUNT CROSS, Her Majesty's Secretary of State for India, to His Excellency the Right Honorable the Governor in Council, Fort St. George, dated India Office, London, 6th September 1888, No. 12, Financial (Stores).

With reference to the letters noted in the accompanying list, I have to inform your Excellency that I have sanctioned compliance with the indents therewith forwarded.

2. With regard to the indent for type-writers of Remington's pattern, submitted with a letter from the Secretary to Government of Madras in the Public Works Department, No. 1458 W., dated 17th May 1888, I have directed machines of that pattern to be supplied as demanded. A new kind of type-writer, "The Hammond," has, however, been recently substituted for the "Remington" in some of the Government offices in this country, and appears to possess superior advantages in some respects. I therefore annex two pamphlets descriptive of the new machine for the consideration of your Government should further supplies of type-writers be required.
