Remark as follows)

It is not clear from the above whether the Secretary of State will send out the plans and sections, or expects them from this country. and Colonel Senny with last letter on which the telegram of the 11th September was based. is still at Madras being printed.

Perhaps the substance of the message

might be wired to
Colonel Pennycuick with a
request that he will say
whether the Home office
are expecting any drawings
from him.
