From G. B. LAMBERT, Esq., Executive Engineer, Coimbatore Division, to the Superintending Engineer, IV Circle, dated Barur, 3rd October 1888, No. 886.

With reference to your memorandum No. 563 of 24th ultimo forwarding papers, &c., bearing the Chief Engineer's No. 3127 C, dated 17th idem (herewith returned), in connection with the construction of the proposed taluk cutcherry at Aravakurchi, I have the honor to report that the existing taluk cutcherry building is proposed to be converted into a public choultry as there is none at that station, and the Collector states that he has accordingly informed the Secretary to the Commissioners of Land Revenue.

2. The position of the new Sub-Registrar's office is now marked on the site-tracing, and it will be observed that the distance is about 283 yards from this office to the site selected for the taluk cutcherry. The Sub-Registrar's office being situated in the heart of the village and surrounded by houses, the Deputy Tahsildar's new office cannot be built close to it. This fact has also been reported by the Collector to the Secretary to the Commissioners of Land Revenue.
