Military Works.

READ—the following paper:—

From Brigadier-General M. PROTHEROE, C.B., C.S.I., Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 6th October 1888, No. 3706 A.

I have the honor, by order, to forward the letter as per margin from the Officer Commanding Ceded districts, and to solicit that the sanction of Government may be given to the demolition of the old gun-shed.

2. To prevent delay in the completion of the new gun-shed, the Commander-in-Chief has authorised the demolition of the old building in question in anticipation of the approval of Government.

ENCLOSURE.

From Colonel C. S. STEWARD, Commanding Ceded Districts, to the Quartermaster-General, dated Bellary, 30th September 1888, No. B.D./562.

I have the honor to inform you that the Executive Engineer, Bellary, has reported that before he can complete the new gun-shed now under construction for the Royal Artillery at Bellary, it will be necessary to dismantle the old gun-shed as it obstructs the completion of the verandah work of the new buildings. I have to request therefore that, in accordance with para. 1148, Public Works Code, Madras, sanction of Government may be obtained for the demolition of the old building.

2. As progress of the new building will be stopped until sanction is accorded, the favor of an early reply is solicited.

No. 6828, Military.

Approved and transferred to the Public Works Department.

READ—the following letter from Brigadier-General E. FAUNCE, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 11th November 1887, No. 4381 A:—

I have the honor, by order, to forward, for sanction and transfer to the Public Works Department for disposal, the estimate, plans, &c., below-mentioned, which have been approved by the Commander-in-Chief. The plans and estimate have been countersigned.

Estimate, amounting to Rs. 15,537, for constructing a new gun-shed for the G-2nd Royal Artillery at Bellary, with report and plan.

ENCLOSURE.

REPORT to accompany estimate for constructing a gun-shed for G. 2nd Royal Artillery at Bellary as per standard design accompaniment to G.O., No. 2576, dated 10th October 1871, with modifications.

Amount of Estimate, Rs. 15,537.

This estimate has been prepared at the request of the Military authorities. The new gun-shed is intended to replace the one now in use, which was, I believe, condemned some years back.

2. It will be observed that the accommodation provided is in excess of that shown on the standard plan. The extra compartments were said to be necessary by the Officer Commanding G-2nd Royal Artillery, whom I was directed to consult regarding the accommodation required.

3. The site has been chosen by a standing barrack committee. A drain runs rather close to the building, but this could easily be diverted.

4. Nothing has been allowed in the estimate for value of materials belonging to old gun-shed, as the new work will be finished before the old is pulled down; it will not be possible to utilise any of the old materials for the new building, and if put up to auction they will fetch very little.

BELLARY,
26th October 1887.

(Signed) A. H. GARRET,
Executive Engineer, Bellary Division.

No. 7088, Military.

Approved, and transferred to the Public Works Department for disposal.

(By Order.)

FORT ST. GEORGE,
15th November 1887.

(Signed) A. KENNEY-HERBERT, Brigdr.-Genl.,
Secretary to Government.

ORDER—dated 28th November 1887, No. 3236 W., Public Works.

The estimate, amounting to Rs. 15,537, for constructing a new gun-shed for the Royal Artillery at Bellary, is sanctioned.

2. An allotment of Rs. 3,970 has been made for expenditure on the work during the current official year.

3. The accommodation provided in the plan is in excess of that allowed in the standard design of 1871 by five compartments; and His Excellency the Commander-in-Chief will be requested, in the Military Department, to report whether, in his opinion, the question of issuing a revised standard plan should be submitted to the Government of India for consideration.

4. This sanction has been registered as Imperial, No. 53 W. of 1887-88, and classified as Military, Original Works.
