SIR,

SIMLA, the 28th September 1888.

I am directed to state that His Excellency the Viceroy and Governor-General will leave Simla on the 13th November 1888, and will arrive in Calcutta on the 29th November 1888.

2. Communications for the Foreign Department of an ordinary nature, which cannot reach Simla by the 10th November, should be addressed to Calcutta.

3. Communications of an urgent nature, which may be expected to reach Simla on or before the 17th November, should be addressed there. Those which are likely to reach later, should be addressed to Calcutta.

4. Telegrams should be addressed to Simla up to the 17th November, and to Calcutta after that date.

5. During His Excellency's tour, communications of an important nature, requiring immediate orders or conveying intelligence, should be addressed to the "Foreign Secretary with the Viceroy." Telegraphic messages in such cases should be repeated to the Foreign Department, Simla, up to the 17th November, and to Calcutta after that date, and should conclude with the following words, *in both copies of the message*—"Addressed to Foreign with Viceroy, and repeated to Simla." (Calcutta after the 17th November.) It is particularly requested that this may not be omitted.

I have the honour to be,

SIR,

Your most obedient servant,

Let Vibart has been
gazetted for 6 months
Special leave under the
C.L. Code Section 61.
He asks that this leave
may be extended to
1 or 2 years. This cannot
be done under the C.L.C.
and it would require
the special sanction of
the Gov of India and
it is believed of the Secy
of State.

Special leave was given
in 1879 to several officers
in Madras for 2 years.
This was ^{done because} ~~consequence~~ of
the reductions made in
the P.W. Dept but it is
not likely that this would
be granted now to any
officers in Madras as the
Gov of India are sending
some of their officers to

It is therefore thought
unnecessary to make any
reference to the Gov of India.

With regard to let Vibart's

With regard to Colonel

that there are no grounds
on which application could
