Letter No 112 C., dated 19th July 1888, from the Secretary to the Government of the Punjab, Public Works Department.

Resolution—

In Public Works Department Resolution No. 327 A.G., dated 22nd December 1886, the Government of India sanctioned the relaxation of the rules requiring the submission to the Audit Office of journals in support of travelling allowances of certain subordinates of the Public Works Department, so as to allow Local Governments and Administrations the option of directing that journals should not be submitted in support of such claims. This concession was granted on the condition that a periodical test-audit should be made of all travelling allowances passed to Lower Subordinates on the responsibility of Executive Officers.

2. In paragraph 4 of the Resolution, Local Governments and Administrations were asked to report the results of the test-audit after the system had been in force for a year. From the reports received, it appears that, with few exceptions, the test-audit system has been found to work satisfactorily in those Provinces in which the option granted by the Government of India has been taken advantage of. In

certain other Provinces it was not considered desirable to introduce any change in the procedure under which journals for all subordinates are submitted to the Audit Office.

3. On a consideration of these facts, the Government of India has decided to sanction the continuance of the procedure introduced as an experimental measure in the Resolution already quoted, on the condition that the test-audit therein prescribed shall be made periodically by the Examiner of Public Works Accounts of the Province.

4. In connection with this subject, and with reference to Public Works Department Code, Volume I, Chapter IV, paragraph 98, the Government of India would invite the attention of Local Governments and Administrations to Rule I, Section 72, Chapter XV, of the Civil Travelling Allowance Code (Provisional issue) under which Executive Engineers may be nominated "Controlling Officers" of travelling allowances of all officials subordinate to them. The adoption of this suggestion would relieve Superintending Engineers of the additional work imposed by the checking and countersigning of subordinates' journals, and leave the real check to be exercised by the officer who is best able to judge of the occasion for the journey. The journals of sub-divisional officers, should, however, continue to be submitted to the Superintending Engineer.

Order—

Ordered that the foregoing be communicated to the Local Governments, Administrations and Officers noted in the margin for information and guidance.

Ordered also that a copy be forwarded to the Finance and Military Departments for information.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana and Baluchistan.
The Superintendent of Works, Simla Imperial Circle.
The Accountant-General, Public Works Department.
The Director-General of Railways.
The Consulting Engineers to the Government of India for Railways, Calcutta, Lucknow and Central Division.

(By Order.)
