Circular No. 17 Public Works.

GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

GENERAL.

Simla, the 11th October, 1888.

Cancellation of the Government of India, Financial Department, orders of November 1879 directing that all applications for the relaxation of any order or rule of that Department should be addressed to that Department.

The following is forwarded to the Local Governments, Administrations and Officers noted on the margin, for information and guidance, in supersession of Public Works Department No. 748G, dated 26th June 1884.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab
The Chief Commissioners of the Central Provinces, Burma, Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana, and Baluchistan.
The Accountant General, Public Works Department.
The Director General of Railways.
The Consulting Engineers to the Government of India for Railways, Calcutta, Central Division, and Lucknow.
The Director General of Telegraphs.

By order,

G. H. D. WALKER,

Under Secretary.

No. 4839, dated the 3rd September 1888.

RESOLUTION.—By the Government of India, Department of Finance and Commerce.

Read again—

Resolution in this Department No. 3853, dated 24th November 1879, and Circular No. 2601, dated 11th August 1883.

OBSERVATIONS.—The Resolution of the 24th November 1879 directs that every application, in whatever Department arising, for the relaxation of any rule or order of the Government of India in the Financial Department should be addressed to the Financial Department, in which arrangements would be made for the consideration of all such cases in the other Departments of the Government of India concerned. These orders of November 1879 were reaffirmed in paragraph 3 of the Circular of the 11th August 1883.

RESOLUTION.—The procedure then prescribed was intended to diminish the number of inter-departmental references, but it is found to give rise in many cases to considerable inconvenience and delay, and it appears probable that a return to the former procedure would, on the whole, facilitate the disposal of business.
