Note

In the accompanying estimate
the S. E. has calculated the
charges for "Estalishment"
and "Tools & Plant" at 24 per cent
instead of at 24½ per cent which
is the authorised rate. As the
difference is very small, being Rs.
no notice need be taken. But as
the omission is due to an error in
calculation in the S. E.'s office
and not to scarcity of funds, and
as any reduction in the authorised
percentages will require the special
sanction of Govt. vide para 1342
rule II of the P. W. Code, a para
is added in the draft to the
effect that the amount of
the estimate should be raised
by Rs. 5.
