READ—the following paper:—

From W. B. DEWINTON, Esq., Executive Engineer, Nilgiri Division, to the
Superintending Engineer, IV Circle, dated Ootacamund, 17th October 1888,
No. 2779.

I have the honor to forward herewith an estimate, amounting to Rs. 1,365, for
fencing round the Snowdon reserve at Ootacamund for sanction as supplemental to
Register No. 37 of 1886-87 for improving the Ootacamund water-supply of that
portion lying to the north of the Ooty lake.

2. I asked the Forest Department to reserve that portion of Snowdon which
forms the catchment of the Snowdon channels and prevent grazing or cutting wood
thereon. They replied that they could not do this unless the area I wished to reserve
was fenced. Hence the necessity for this estimate, which cannot be met from the
main estimate for the water-supply.

No. 471-E.W.

Forwarded to the Chief Engineer, Public Works Department, for favor of sanc-
tion to the estimate, as a supplemental to that sanctioned in G.O., No. 1545 W. of
