Sir,

I have the honor to request you will be good enough to obtain the sanction of Government to write off the accounts the value of 10 bullocks that have lately died in the Nilgiri Division.

2. There has been an epidemic of Rinderpest in the district. Though every possible care was taken on the appearance of the disease to isolate the sick cattle to prevent contagion or infection, yet the results were fatal. I therefore sanctioned the amount to be written off the accounts, but the Examiner having pointed out that under para 1973 of the P. W. Code the

the sanction of Government appears necessary to write off the value of the bullocks in question valued at Rs 500, I have the honor now to solicit the same.

Sir,

With reference to Para 2 of your No. 505/N.I. of 19th October 1888, I have the honor to point out that it runs as follows:- "The Executive Engineer has been asked to state the authority under which he ordered the old bullock to be ~~sold~~ shot instead of disposing it by auction as usual". I suppose you mean "to be shot".

2. I ordered it to be shot because it was reported to be paralysed in the hind quarters, and unable to move or eat food; and I thought the most merciful thing to do was to put it out

out of its misery as speedily as possible.
