To

The Secretary to the
Government of India
P. W. Department.

Sir

In continuation of
my letter No. 3153 W dated
8th October 1888, I am
directed to point out
that in the scale of "local"
allowances sanctioned by
the Government of India
in your letter No. 118 dated
3rd July 1888, to officers and
subordinates employed on
the Periyar works, a sum
of Rs 100 per mensem
is provided for a
Superintending Engineer 3rd
class, while the officer in
charge of the works, Col.
J. Penycuik R.E., is a
Superintending Engineer 2nd
class. He would thus,

del
18th

as the scale now stands,
be barred from drawing
any allowance for duty
on the Project. His
Excellency the Governor
in Council cannot
conceive that this was
the intention of the Govern-
ment of India. I am
accordingly to request
that the sanction may
be revised so as to allow
the Superintending Engineer
in charge such allowance
as may be considered
suitable, irrespective of
the class to which he
may belong.

In this connection,
I am to invite attention
to the fact that the
sanctioned scale allows
no more to the Superintend-
ing Engineer than it
does to all grades of
Executive and Assistant
Engineers

Engineers, and to suggest
that the Superintending
Engineer's allowance
may be placed at a
somewhat higher figure.
In the opinion of Mr. E. the Governor
in Council Rs 150
Rs 150 would be a suitable
rate. 12.11.50
