

note by the Chief Engineer

In G.O. No. 2095 W of 11th July 1888, Conductor Cormac's services were placed at the disposal of the District Board Salem for six months and the President of the Board was requested to report at the end of that period whether Conductor Cormac should revert to the P.W. Dept. or be confirmed as Local Fund Engineer, Salem which would necessitate his retirement from Government service.

2. Conductor Cormac now asks for an assurance that in the event of Local Fund Works being taken over by the Public Works Dept. he will be reemployed in that Dept. although retired from Gvt service on confirmation as Local Fund Eng. Salem.

3. I cannot recommend that any such guarantee be given. Conductor Cormac should decide for himself whether he reverts to the P.W. Dept. or retires from the Gvt service at the end of the six months.

Order
The Gvt. agree with the Chief Eng. whose note will be commd. to Condr. Cormac for guidance.

GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Barrack Department—Supplies.

Read the following papers :—

No. . From Sir J. A. HANBURY, M.B., K.C.B., Surgeon-General, Her Majesty's Forces, Madras, to Brigadier-General A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Ootacamund, 22nd August 1888, No. 2274.

The Quarter Master General in May last transferred to me for disposal a letter from the General Officer Commanding, Hyderabad Subsidiary Force, regarding the provision of garden seats for station hospitals at Secunderabad. From the above letter it would appear that the Superintending Engineer at Secunderabad, to whom the subject was referred, sanctioned the amount of Rs. 424 for the purchase of 16 benches with cast iron end frames and wooden bars forming backs and seats on the recommendation of the General Officer Commanding. This charge the Controller of Military Accounts declined to accept, on the ground that there was no authority for its admission. I therefore communicated with the Deputy Surgeon-General at Secunderabad, in view to ascertaining why the cost could not be met from Cantonment Funds, with reference to Para. 720, Section VIII, Army Regulations, India, Vol. VI. The Deputy Surgeon-General has forwarded to me the enclosed extract from the proceedings of the Cantonment Committee, dated 27th July 1888, from which it will be observed that the Committee are unwilling to pay for this charge from the Cantonment Funds. Under the circumstance may I solicit that Government may be pleased to sanction the admission of the charge.

No. . From Brigadier-General M. PROTHEROE, C.B., C.S.I., Quarter Master General, Madras Army, to Brigadier-General A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Ootacamund, 31st August 1888, No. 2884-B.

Forwarded.

2. His Excellency the Commander-in-Chief agrees with the Cantonment Committee in thinking that the charge in question is not one debitable to the Cantonment Fund.

No. . With report from Controller of Military Accounts; 6th Sept. 1888, A.

No. . To the Secretary to the Government of India, Military Department; dated 15th September 1888, No. 6269.

No. . From Lieutenant-Colonel E. COLLEN, Secretary to the Government of India, Military Department, to Brigadier-General A. KENNEY-HERBERT, Secretary to the Government of Madras, Military Department; dated Simla, the 16th October 1888, No. 1982-MW.
