Sir, A short time ago, you were good enough, to tell me, that you will be glad if I would remain, in the District, in my present capacity, and arrange to retire from the - Public Works Department.

I observe it stated, in the local journals, that the Public Service Commission, advised, the taking up of Local Fund Works, by the provincial Public Works Department, and that the supreme Government, has recommended the adoption of this proposal.

In the event of my taking a military pension in the P.W.D. Unless I have some guarantee of this sort, I may find myself in a year or so without any employment.
