To

Letter from W. Jopp Esqre, Executive Engineer, Ramnad Div, to the Suptg. Engineer, 6th Circle dated 24th October/88 No. 1998 R.Ct.

As directed in your endorsement No. 1623 J.G. on G. O. No. 3167.W. of 8-10-88, I have the honor to inform you I complied with the order laid down in para 311 rule V of the D.P.W. Code.

2. Immediately on my return to Head quarters on the 21st September I called for the accounts for examination, but from one irregularity or another found in them, and promised by the accountant to be rectified at once, the signing of the certificate was delayed until the 18th October/88. On the same day it was despatched to the Examiner.

3. The certificate could not have been signed by me earlier as I left head quarters before the accounts for July were despatched and did not return until the 21st September.

4. As there is no Sub-Divisional officer in this Division

or any upper subordinate above
the rank of overseer and only one of
them on the permanent establish-
ment. I have hitherto been obliged
to spend almost the whole of my time
on tour. I have therefore until
lately had little time at head-
quarters to look closely into the work
of the accountants.
