READ—the following paper:—

Office Note from the Examiner, Public Works Accounts, dated Madras, 14th August 1888, No. 2067.

I beg to report, with reference to Code para. 311, Rule V, that certificates of examination of divisional accounts for the months noted against each have not been received from the divisions noted below:—

Ganjam	...	...	March 1887; March, April and May 1888.
Vizagapatam	...	...	Aug. 1886 to Jan. 1887; Sept. and Oct. 1887.
Rushikulya	...	...	April and May 1888.
Godáviri Eastern	...	...	May 1888.
Godáviri Western	...	...	May 1888.
Kistna Eastern	...	...	April and May 1888.
Nellore	...	...	June 1887 to May 1888.
Kurnool	...	...	April 1888.
Coimbatore	...	...	April and May 1888.
West Coast	...	...	December 1887; February to May 1888.
North Arcot	...	...	February to May 1888.
South Arcot	...	...	April and May 1888.
Chingleput	...	...	May 1888.
Ramnád	...	...	Oct., Nov. and Dec. 1887; and April and May 1888.
Periyár Project	...	...	March, April and May 1888.

2. These omissions have hitherto been noticed in divisional objectionable items statement, and in the case of the Ganjam, Vizagapatam, Nellore Divisions, and one or two others, the arrears have been brought to notice of Government in the provincial objectionable items statement, but without much result. I invite special attention to the arrears in the case of the Nellore Division from which no certificate has been received for 15 months.

3. It is very desirable that the examination which the Executive Engineer is required to make of the accounts should not be unduly deferred. It should be made when the facts connected with all transactions are fresh in the memories of himself and of all concerned. Moreover, delays such as those indicated in the above statement must, in case of transfers, frequently result in throwing the onus of examination on a new Executive Engineer personally ignorant of the transactions dealt with in the accounts, or in throwing the onus of explanation, when explanation is required, on a subdivisional officer or subordinate similarly ignorant.

4. For these reasons, I think it will be better to bring such omissions more directly to notice of Government if certificates of the required examination are not received in a reasonable time.

ORDER—dated 24th August 1888, No. 2618 W., Public Works.

Communicated to Superintending Engineers for report.

2. The Government approve the suggestion in para. 4.
