In the Roll submitted Major Kensington is recommended for promotion to Ensign 1st grade with the remark that Mysore is prepared to incur the increased charge involved. Under these circumstances and with respect to G.O. No: D. W. dated 6th January 1887 (marked with red tape) it seems unnecessary to address Mysore on the subject as the promotion to which Major K. will be entitled from 12th Oct last if his rank is confirmed is sub pro tem and not temporary. If approved a promotion roll will be put up for the approval of Govt as soon as the list now in circⁿ is returned.

Herewith a copy of the order you spoke of this morning. Under it sub pro tem rank lasts only during actual incumbency, but an officer relinquishes it on proceeding on furlough.

The order does not affect the case of Major Kensington.
