As the P.W.D. ought to be
satisfied as to the condition of
the reported building at a
notice of that building I suppose
some of the P.W.D. will be
sent to look into it and if
it is, there is plenty of good
work available in the
drafting department.

SIR,

I have the honor to request

for the Godavari Eastern Division an
allotment of Rs. 1500 in addition to
the existing grant of Rs. 12,000 under
"Provincial" "Communications" "Repairs"
The Division officer reports that the
existing grant has very nearly been
worked out to end of September/88 &
that the reason for requiring additional
allotment is the large expenditure
that was incurred on replacing the
