WITH GOVT. OF MADRAS.

SIR,

Having been given to understand that funds will, in all probability be available towards the close of the official yr. 1888-89, in the Public Works Budget, I have the honor, with reference to Govt. Orders marginally noted,* to press upon the notice of the Surgeon General the urgent necessity for early application to the Chief Engineer, that an allocation be at once made for setting on foot the execution of the Estimate

(a) for constructing an additional ward in the Opl. Hosp. for accommodation of mal. female patients and

(b) for ceiling the wards of, and two additions to the Opl. Hospl.

Both Estimate have been sanctioned by Govt and are in need allotment of funds for execution.

I have the honor to be,
Sir,
Your most obedient Servant,

E. Bradley Bateman Jr. M.C. Surgeon

Surgeon-Major,
Superintendent, Eye Infirmary.

I have detained this current till now, with the expectation that the Consulting Architect would, as I heard from his office, surrender a portion of the grant for the High Court buildings. I now hear that W has verbally ordered the Consg. Architect to utilise the grant fully and that the latter is trying his best to spend as much portion of the grant as possible.

2. There are no other sources from which funds can be got at present. All the Supdg. Engrs have replied that no more surrenders were feasible.

3. The Examiner was asked to report whether a further sum of Rs 20,000 could not be transferred to "works" from the current year's grant for "Temporary Establishment". He has also promised to report later in the year if any savings were anticipated under "Permanent Establishment"

4. There is no probability of funds becoming available

From G. BIDIE, Esq., M.B., C.I.E., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, Public Department, dated Ootacamund, 6th July 1888, No. 0/302.

I have the honor to forward, for the consideration and orders of His Excellency the Governor in Council, a plan and estimate for the construction of an additional ward in the Government Ophthalmic Hospital, Madras, for the accommodation of Native military patients.

2. The cost of the proposed new structure amounts to Rs. 5,506, and will, I trust, be sanctioned as additional room in the hospital for Native patients is greatly needed. On several occasions I have found Native patients located in the passage of the existing block for want of space in the ward.

3. I have gone over the plan and it seems to meet the requirements.

Approved and transferred to the Public Works Department.
