Noted and returned.

2. With reference to the
explanations of the Executive
Engineers that the delay in the
submission of certificates was
due to the late receipt of ten-day
reports, incompleteness of work
abstracts etc., I beg to point out
that the certificate required under
P.W. Code para 311 v is not
supposed to be a certificate
that all the accounts are com-
pleted and perfect but a certi-
ficate that they have been
examined at the proper time (on

G.P.W.

FOR IRRIGATION.

DOWLAISHWARAM,

9th November 1888

SIR,

With reference to G. O.
No 2804 W d/10-9-88, I have the
honor to report as follows the cause
of delay in the submission of
Certificates of Examination of accounts
for June 1888 by the Executive Engineers
Vizagapatam Division

The Executive Engineer states that
the certificate was submitted to the
Examiner on the 19-9-88 and that
the delay in its despatch was due to
the late receipt of tuesday reports
from his Sub-Divisional officers.

Rushikulya Division

The certificate was despatched to

the Examiner on the 8-10-88 & the delay in its submission was due to a few work abstracts having been incomplete at the time of despatch of accounts for want of certain information from Sub-Divisional officers.

Dowlaiswaram Workshops.

The certificate was despatched to the Examiner on the 11-10-88. The cause of delay in its submission, the Executive Engineer states, was due partly to his having been absent from Head Quarters at the time of despatch of monthly accounts and partly to the negligence on the part of the accountant who did not bring the certificate for the Executive Engineer's signature immediately after he returned to Head Quarters.

Gayam Division.

The Executive Engineer reports that the certificate was sent to the Examiner in August last. The

delay in its submission has been explained in the Executive Engineer's letter No 38 SE. of 17-9-88 which was forwarded with my letter No 411 SE. of 8/10/88.

2. The Divisional Officers' special attention has been drawn to the punctual submission of the certificates in future.

I have the honor to be

Sir,

Your Most Obedt Servant

Prabhu - Krishna Lieut Col. R.

Superintending Engineer
1st Circle.
