I have the honor to apply for sanction of Government to the following alterations in the sub-divisions of the Central division, Godávári, which the Executive Engineer as well as myself consider advisable owing to the considerable change in the distribution of large works in progress since the present sub-divisions * were fixed :—

* See Irrigation Chief Engineer's memorandum, No. 110 G.D., dated 16th Nov. 1882.

(a) *Naggaram or No. 2 sub-division.*—To comprise the whole of Naggaram island and the portion of the division on the left side of the Vaniteyam Godávári, lying south of the Local Fund road from Gunnaram to Amalápuram and west of the Lower Kowsika drain. The Gunnaram aqueduct, the Bendamurlanka canal and its distribution, and the Lower Kowsika drain will be in this sub-division; head-quarters, Gunnaram.

(b) *Ralli or No. 1 sub-division.*—All the remainder of the division; head-quarters Ralli Public Works Department station, at the heads of Gunnaram, Amalápuram, and Bank canals.

2. I enclose a sketch map with the proposed sub-divisions clearly shown in colors.

3. As I wish the newly-arrived Assistant Engineer (Mr. Ashpitel) to be put in charge of the new Ralli sub-division from 1st proximo, I have ordered the necessary arrangements to be made, and trust you will telegraph to me approval or otherwise before that date.

No. 27 W.
