26TH SEPTEMBER 1888, No. 3036 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

From the Superintending Engineer, V Circle, dated 17th January 1888, No. 4340.
" Secretary, Civil Orphan Asylums, Madras, dated 10th July 1888, No. 101.
" Superintending Engineer, V Circle, dated 6th August 1888, No. 1992.
" " " V " " 20th " " " 2211.

ORDER—dated 26th September 1888, No. 3036 W., Public Works.

In G.O., No. 363, Educational, dated 15th July 1887, the Government sanctioned a grant of Rs. 6,000 in aid of repairs to the Civil Orphan Asylum buildings at Madras, and, on necessity being shown, promised a similar grant in the current year.

2. Proposals are now made for the expenditure of a sum of Rs. 14,645 on new work and Rs. 13,000 on repairs, as detailed in the abstract attached to these Proceedings.

3. It is suggested that the Government should take over buildings Nos. 20 and 21 with the land attached at a valuation of Rs. 7,000, and if the grant asked for by Government still appears too high, that building No. 3, valued at Rs. 5,500, should also be taken over by Government.

4. The Government remark that instead of providing quarters for the hospital nurse in the old church, it would be better to provide them in building No. 10, girls' hospital. The space thus set free could be occupied by the boys' cook-room and store-room, and there would be no necessity for building the new cook-room and store-room No. 23 on the plan.

5. A further saving of Rs. 5,000 can be effected by dispensing with the proposed new bakery, the necessity for which is not admitted by Government.

6. The cost of the proposed works would then be reduced from Rs. 27,645 to Rs. 21,445. +

7. The Government are not prepared to purchase the Apothecary's quarters, building No. 3, but will take over Nos. 20 and 21 at a valuation of Rs. 7,000. Allowing for the grant of Rs. 6,000 previously made, a further sum of Rs. 8,445 will be needed to admit of the proposals of the Asylum authorities being carried out. The question of making a grant to this extent will be considered in the Educational Department. The sum of Rs. 7,000 for purchase of buildings Nos. 20 and 21 will be a charge against the Public Works Department.

8. The Superintending Engineer is authorised to proceed with the works accordingly, and to complete them as soon as possible.
