PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

G.O. Public Works Department dated
20th November 1888 N^o 3664 Communicating
letter from the Superintending Engineer
II Circle with a request that orders for
the allotment of funds under Local
Excluded and Incorporated applied
for by the Superintending Engineer
may be issued at an early date.

Order thereon dated 27th November 1888 N^o 222/R (Mia.)

From the list of allotments sanctioned
by the Repalli Taluk Board in June
1888 it appears that they have already
allotted Rs 325 for the maintenance of
the canal bank between Iyur and
Mortala. The President, District Board,
Lisana is requested to report whether

this

This is the same work as that entered
as item 4 in the list appended to G.O.
N^o 2069 H dated 9th July 1888 communicated
with G.O. 3rd August 1888 N^o 1424 L. If so,
the Taluk Board should be asked to
allot at once the remaining Rs 80 required.
If no allotment has yet been made for
the work referred to by the Public Works
Department, a sum of Rs 405 should now
be sanctioned. A very early reply is
requested.
